Family Health Team

Seniors Health Seminars

Presented by the Senior Advisory Volunteer Initiative (SAVI)
on behalf of Taddle Creek & Women's College Hospital's FHTs

Memory Preservation and Alzheimer's Prevention

For all those who are 65+, have you ever wondered about:

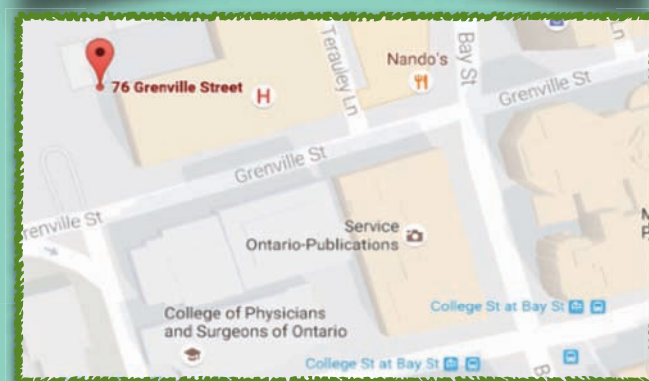

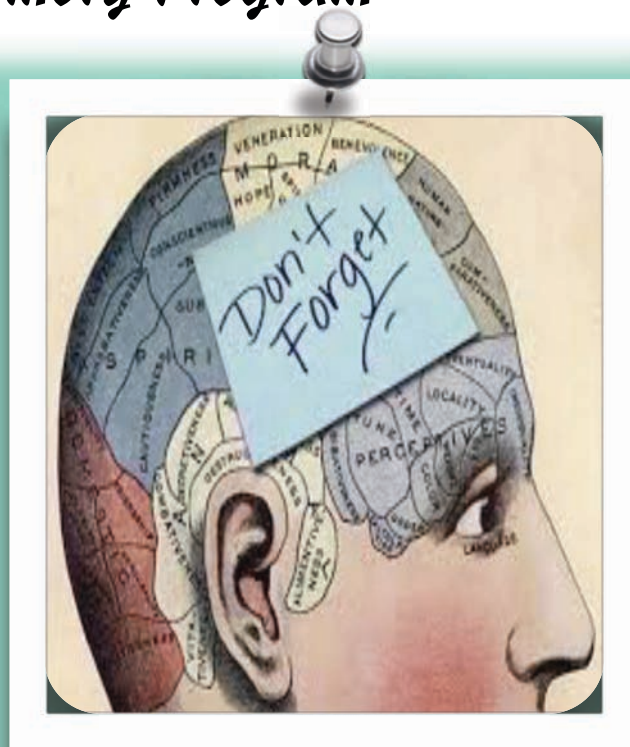

- * The connection between aging and memory?
- * What are the 'natural' changes in memory as we age?
- * Strategies to enhance and preserve our memory?

***Speaker: Dr. Sharon Cohen, Neurologist
Director of Toronto Memory Program***

Date: Wednesday, Oct 26, 2016
